MEMORANDUM FOR [REDACTED]
COMMUNITY

DEPUTY TO THE DCI FOR THE INTELLIGENCE

SUBJECT: Issues for the SCC Subcommittee on PRM-11, Task 2

1. I have noted with interest that portion of [REDACTED] 28 March 1977 draft issue paper which states that: "users of SIGINT reporting, moreover, frequently complain about the nature and timeliness of NSA reporting on collected data." (Issue 1, page 3) This statement was subsequently removed from the draft at our request.

2. I would be grateful if you would provide me with the source of this observation together with more specifics concerning its nature.

3. I am most anxious to be able to identify such deficiencies in the SIGINT system so that I may initiate appropriate corrective action.
